**Boater Suitability Zone Descriptions**

**Least Restricted:** Suitable for power boating, sailing, water skiing and other uses that require considerable open water. Areas with a depth of 10 feet or more.

**Somewhat Restricted:** Suitable for power boats and pleasure craft only. Not suitable for water skiing, deep-draft boats or other high-speed uses that require open space and uniformly deep water.

**Restricted:** Suitable for punning and small fishing boats with shallow drafts. This area typically has shallow depths, submerged hazards and wildlife habitat considerations.

Scale: One Inch = approximately One-half Mile
